First edition 2024

ENHANCE YOUR ENTRANCE

Composite Doors from Astraseal

Astraseal are a British manufacturer and supplier with over 40 years experience. We offer an extensive range of composite doors, glass options and colours with a wide variety of hardware accessories.

Along with their impressive durability, our composite doors are also incredibly energy efficient, exceptionally strong, secure and very low maintenance.

With an impressive selection of door styles, colours, glass designs and furniture options, your door is truly unique to you with a guarantee of a flawless finish. All of our doors are manufactured in our Northamptonshire facilities to the highest of standards and built to stand the test of time. We offer Nationwide delivery with impressive lead times, an industry leading package from start to finish.

All Astraseal composite doors feature a fully steel reinforced Rehau outer frame, Aluminium low threshold, Winkhaus or Yale multipoint locking system and high security 3 star cylinder as standard.

Strong and secure

Our locking system coupled with Secure by Design accreditation means you'll sleep peacefully at night, knowing your home is safe and secure. You can also be reassured by the GRP skin protective layer to the doors, meaning your door is resistant to warping, scratching and fading.

Style and Elegance

nxt-gen

This range features our latest innovation, the flush-fitted inner frame sits level with the moulding to give sleek lines and an unrivaled finish.

Symmetry and balance are key elements. We want you to walk through your door with pride and pleasure.

nxt-gen

The front door. We all know how important it is. It's the first thing you see when you arrive home and you use it daily. It protects you and your possessions and helps keep your home safe and warm. You expect it to look good and to stand the test of time.

That's why we have developed the nxt-gen composite door. This range combines innovation and simplicity with the performance and quality you would expect from a modern composite door.

Make your door your own - choose from over 30 bespoke colours and a wide selection of decorative features. The nxt-gen range oozes style and substance.

Evesham

Letting natural light flow through your home whilst presenting as a beautifully stylish door. Evesham is one of our most popular doors; we know you'll understand why.

Beaulieu

Steeped in tradition, you're probably thinking of the classical half glazed door when you think of the front door. Time-honoured style with a modern-day twist.

York

Classical design meets the composite door. If you're looking for elegant glass features with the reassurance of a composite door, look no further than the York Door.

Buckingham

Light and seclusion. The half arch glass feature of the Buckingham door gives you immediate privacy while allowing light to penetrate your hallway.

Lymington

The glass panels of the Lymington won't compromise your privacy. Even on the duller days, the flow of light from this door will bring a smile to your face.

Kendal

Elegance and privacy rolled into one. Less is more with this design. Personalise it to make it your own, whilst safe in the knowledge this door will stand the test of time.

Tilbrook

A traditional design that invites curves and angles into the mix. The Tilbrook has unique features that further support the glass panes to the top of the door whilst merging seamlessly with the panelled door.

Evesham

The Evesham is one of our most popular designs - for obvious reasons. The two customisable glass panels are a stunning style feature that lets natural light flow through your home.

A TIMELESS CLASSIC

You can understand why this is our most popular design. With lots of glazing options you can tailor make this a door to suit any home.

Make an entrance

Signature

With style and elegance throughout, our Signature doors make a statement about you and your home. There are many different styles to choose from, all perfectly complimented by a stunning range of glass designs.

Signature

A quality front door says a lot about the owner. It makes a statement. It speaks of intent, character and aspiration. Our Signature range does exactly that.

Designed to complement and respect the architecture of your home – Signature doors follow a time-honoured traditional design.

This range is the perfect choice for those wishing to add a touch of classical style and elegance to their home.

With our Signature range, there's a door to suit every property. Modern to traditional, town or country.

Oxford

Inspirational, beautiful and the ultimate in stylish practicality, it's easy to see why this style is one of our most popular models.

Chester

Soft curves in the form of an intricate glass panel, combined with traditional styling, makes the Chester door an attractive choice for your home.

Woodford

A detailed, large glass panel with customisable options combined with traditional style. You'll walk through this door with a sense of pride.

Cambridge

The Cambridge door with its large glass panel is a true show stopper. Choose a glass that is reflective of your style and make this door a real focal point.

Rustic Range

Solid, dependable and handsome the Rustic range has an authentic tongue and groove effect, with a border for that finishing touch and offering a simplistic layout with delightful design additions. Available in 4 different styles this door really lends itself to a more traditional property.

Oxford

This door’s blend of innovation and simplicity provides a modern touch to a classic style. This is perfectly exemplified by the door’s sleek lines and seamless finish.

GRAND ENTRANCE

This door offers a high level of privacy, whilst at the same time offering excellent light transmission.

Distinction Buckingham Grey	Distinction Steel Blue	Distinction Chartwell	Purple Violet RAL 4007
			
Distinction Anthracite Grey	Blue	Green	Distinction Wine Red
			
Black	Red		
			
Rosewood	Gold Oak		

You choose it, we'll spray it.

Our sprayed solutions offer a lasting finish which gives protection from the elements. No peeling, cracking or fading. All coloured frames are backed by a 10 year guarantee, giving your customers extra peace of mind. Our low maintenance colour finish is designed to stay looking great year after year.

All images are for illustration purposes only, colours may vary. Rosewood and Gold Oak only available on white.

Care and Maintenance

Your composite door has been designed to be easy to maintain. To keep your door clean, prolong the life of the surface finish and protect your warranty, we recommend you wash it regularly using warm soapy water (washing up liquid is ideal) and a soft lint free cloth. If you live in a coastal area, in a heavily industrialised area or near a main road, you may need to clean your door more frequently. It is important that you DO NOT use any of the following on your door:

- ▶ Abrasive cleaners or scouring pads
- ▶ Any type of bleach or solvent (e.g. white spirit, methylated spirit, cellulose thinners, acetone or nail varnish remover)
- ▶ Any type of adhesive or tack for providing temporary protection or fixing of seasonal or other decorations etc.
- ▶ High pressure or steam cleaners

Door Construction

Every composite door is manufactured to the highest of standards to ensure it is strong, durable and secure. The door has a perimeter sub-frame of a solid, water-resistant polymer material, which is reinforced with Laminated Veneered Lumber (LVL). A thermoset GRP skin is bonded to this sub-frame and the core of the door is then filled with high density, 100% CFC-free polyurethane foam. Water resistant polymer composite rails protect the core from damage or water absorption and the high impact resistant thermoset GRP skin keeps your door looking great for longer.

The door's core is what makes it so thermally efficient and so good at reducing noise pollution.

REHAU DESIGNATED OUTER FRAME

This versatile profile allows for a multitude of door combinations and styles as well as offering the benefits of PVCu, such as durability, low maintenance and excellent thermal properties. The classic chambered design integrates the composite door seamlessly with the Total70 window scheme.

The outer frame is available in the full range of laminated foil options enabling a perfect match to a customer's windows. Utilising our in-house spray facility the outer frame is also available in any RAL colour finish enabling a truly personalised entrance to the home.

As standard the Rehau outer frame is reinforced with a dedicated steel reinforcing section offering strength and integrity as standard.

LOCKING

High security and peace of mind as standard. Available with a choice of Yale or Winkhaus multi-point locking systems, our high security range incorporates options for lever / level or lever / pad split spindle operations and goes on to include auto fire variants in both standard position locking and heritage position locking. The Auto fire variations are a standard feature for doors specified with non lever action handles, such as the range of contemporary pole handles or the heritage pull escutcheons.

Every door incorporates a multi-point lock solution that is designed, developed and tested to deliver the highest levels of performance and security.

The doors security is enhanced further with a high security 3 star rated euro cylinder included as standard. The kite marked cylinders are certified to the TS007 British standard, the highest level of certification currently available. Endorsed by the Police Secure by Design scheme the 3 star cylinder offers maximum security for the property.

Fire Doors

by **Astraseal**

In March 2020 Astraseal became the first UK manufacturer to be awarded the third-party certification under the BM Trada scheme, STD170. The new Astraseal Fire Safety Doors were approved by BM Trada under the Q Mark Scheme - an independent third-party certification scheme that assures performance, quality, reliability and traceability of fire protection products. More recently Astraseal successfully tested door designs incorporating glazed panels within them, enabling an industry leading range of both solid and glazed FD30 door designs to be available.

THE ULTIMATE FIRE DOOR PACKAGE

Leading the way for higher Fire Door safety. The Astraseal Fire Door range is certified by Secure by Design for security, having passed the onerous Pas24 testing, resulting in an industry leading dual certified product for both fire rating and security, the ultimate Fire Safety Door.
